HOME MAINTENANCE CHECKLIST

- Wash windows inside and out, and clean window screens to let in more natural light. Repair or replace damaged screens as needed.
- Tune up your lawn mower and other equipment to prep for the growing season. Sharpen blades and replace any worn-out parts.
- Walk around your home to inspect the exterior walls for cracks, peeling paint, or signs of moisture damage.
- Check your emergency preparedness supplies in light of upcoming spring storms. Stock up on flashlights, batteries, bottled water, and non-perishable foods.
- Wash bed lines, including comforters and pillow shams.
- Flip your mattress if necessary.
