NOTES

While the Report focuses on condominiums, select information on apartments has been presented. Below Market Rate (BMR) units have been omitted where possible. Note that it can take a few months before unit closings appear in the public records. Absorption is measured from the start of sales until the current period. The Report covers developments with over 4 units. HOA dues include parking fees, where applicable.

NEWS & HIGHLIGHTS

NORVOIR has released additional inventory & closing data

1 50 Eureka has released closing data

3 50 San Jose has released additional inventory & closing data

One Eleven has one unit remaining

Mira has sold out
