Local Spotlight

Charm City Links & Co.

Our team recently visited Charm City Charms & Co. and had a wonderful time! Charm City Links is a studio that specializes in custom welded jewelry, located in Baltimore, Maryland. There are two activities to choose from: permanent jewelry and the charm bar. Our team opted for the charm bar, where we personalized bracelets and necklaces using hundreds of charms, beads, and shells.

What is permanent jewelry?

Permanent jewelry is customized, clasp-free, and long-lasting. Symbolizing relationships and milestones, it's crafted from safe, precious metals as bracelets, anklets, or necklaces.

What is the charm bar?

The Links & Co. Charm Bar is an Instagram hit! Guests design custom bracelets and necklaces using hundreds of charms, beads, and shells. It's perfect for all ages, it's a fun, low-commitment alternative to permanent jewelry.

Check out our team's custom bracelets and necklaces below!
