Epic stone fireplace anchoring the great room with vaulted wood ceilings, hand-hewn posts and beams framing the space. Bespoke details guarantee to inspire. Much of the heartwood redwood used in the house was repurposed from the original scout cabins of Camp Dimond that used this same land. Chef's kitchen with original redwood cabinets, fireclay backsplash tiles, honed Silestone charcoal soapstone counters and gourmet stainless appliances. Primary suite with views of wooded lands with two large walk-in closets and a stunning bathroom with earth tone tiles, redwood Tansu cabinets, soaking tub and shower. The loft space lends itself perfectly as an office or den and the upper-level bedroom opens onto a rooftop deck overlooking forested grounds. Adjacent to the house is a separate detached studio with a bath, kitchenette and deck overlooking the meandering creek. The grounds offer a secluded hot tub tucked under a Japanese maple, a sports court with a basketball hoop, and two-car garage with updated electrical perfect for a shop. Every season offers unique beauty in this not to be missed oasis!
